April 1, 2023

Dear Wolverine Rangers members and Range War participants,

I would like to welcome you to the 2023-2024 Wolverine Rangers Cowboy Action shooting season. This year we will host our 25th anniversary Range War. We are planning to make this special anniversary a memorable one. While many items are in the works, I wanted to share some of the special items we are planning for this year.

First, we are having a stage writing contest. We are inviting everyone to submit their favorite stage for consideration in this year's match. This can be a stage you love, one that you enjoyed at a previous Range War, or just one that you thought up that you would like to shoot. These can be submitted via email, mail or in person to Sinola Kid. Entries will be accepted now thru June 1st, 2023. Our range committee will review all entries and select ten stages for the 2023 Range War. Each selected entry will be published in our shooter's handbook as the stage writer and receive a special 25th anniversary award from the Wolverine Rangers. Let's all dig deep and find some real gems to enter.

Second, we are looking for stage sponsors for this year's match. Each stage sponsor will receive advertising/recognition space in the shooter's handbook as well as signage on the stage. Sponsorships will start at a recommended donation of \$100 per stage. We will use these funds to update our props, tables, and feel of the stages. Of course, we are open to suggestions as well for improvements. If you are interested in sponsoring a stage this year, please contact me to discuss by July 1st, as we need time to get the book updated.

Third, our awards banquet will again be at Alexanders banquet facility. We are working on buckles and new side match awards this year with a 25th anniversary logo. We are trying to make these stand out and be something special, so having a count earlier than normal will help. Please sign up early so we can plan our numbers efficiently.

Fourth, we will be adding a top gun shoot off this year. This will be on Sunday, shortly after the main match concludes. Participants will be notified on Sunday. More details to come as we start posting the match schedule. I am excited that we will be adding this fun event this year.

Fifth, we have just finalized the contract for golf cart rentals. Information and sign up for these will be posted soon on our website. There will be an electronic application, like our shooter registration that you will be able to sign up and pay the fees for the carts and receive an email confirmation.

Lastly a few notes about our shooting season in Michigan. Shoot dates can be found on our calendar and website at www.wolverinerangers.org. Note these are subject to change and we do our best to post any changes as soon as we know them, both on our website and via Facebook. Please feel free to contact me if you have any questions or would like additional information.

Our Annual Wolverine Rangers Free Shoot and Membership Meeting will be hosted by the Rocky River Regulators at Detroit Sportsman's Congress on Sunday July 16th.

We look forward to seeing you at our local shoots and the 2023 Wolverine Rangers Range War this season.

Very truly yours,

Sinola Kid, Captain
