Addition of categories- We have the most categories available of any Wild Bunch Shoot in the Nation. We offer age based categories similar to cowboy plus classic which goes back to the old rules of a few years ago with rifle power factor. We also have Open and Rimfire categories that are scored stand alone and are not eligible for the overall award.

Photography- We are hoping to have MLIVE again do a media story like they did in our inaugural match here in 2022. (click link) [YTTV BASE Evergreen25 Value A PMax V1 DR None US EN 15s MP4 VIDEO 16x9](#) or search youtube for Saginaw Field and Stream holds first Wild Bunch Champion Event.

We have a **professional photo backdrop** this year at the banquet for free awards pictures that will be posted to facebook. We also have a **photographer** that will be taking pictures randomly throughout the event as he did before. **Drone** footage will also be taken of the event. Make sure you join our facebook page, see below under contact.

Round Count- Tentative 280 pistol, 100 Rifle, 62 shotgun plus speed side matches pistol 14rd, rifle 10, shotgun 6 per time through speed events (5x max) Team event will be on our only all-knockdown stage, bring lots of ammo.

Late Fee/Category Change- Sept. 1 which is the cutoff date for free T-Shirt, changing categories and to avoid the \$20.00 registration late fee.
