CAPTAIN'S CORNER

I hope that everyone is having a great summer shooting and hanging out with your pard. Summer is a good time to take some time off and to try some shoots in other states. The Lady and I went to the Kentucky State Championship in May and we had a great time. The venue was spectacular. You might be surprised at the number of Michigan shooters that travel to shoot in other states. We always have a good time wherever we go. We also attended the Michigan State Black Powder Championships at West Walker in June. The Lady and I had a great time shooting black powder and hanging out with our friends.

Range War is coming. Side matches will be held on Friday with the main matches on Saturday and Sunday. The banquet is on **Sunday** night and the man on man events will be on **Monday**.

Please be sure and send your application in to reserve a spot. We are looking forward to another fun and successful Range War this year. Deuce Stevens, our Match Director, has the stages already designed. Our theme this year will be a tribute to Michigan's own Tom Selleck. The stage write-ups will be based on the six period westerns that Tom Selleck acted in. A good trivia question is to name the six period westerns that Tom acted in. (The answer will be later in this edition of the Epitaph.)

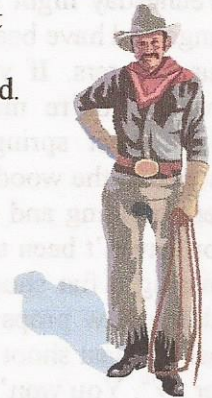

The shooting scenarios for our 10 stages will be posted on the website shortly before the match so that all of our shooters can review them in advance. I have seen the stages designed by Deuce and I'm sure that you will enjoy them. They are designed to be easy to shoot without procedural traps.

Well that is about all I have for now. Have fun this summer and be safe as we enjoy our sport. Also please remember to give thanks for the freedom that we have in this great country to participate in

our sport. I would also ask that you pray for our service men and women at home and abroad.

Shoot fast and clean,

R.J. Law

Straight Shots From Saginaw

It's been a mighty busy summer for Saginaw. Our Wednesday night practices are now on the lower range and have been met with much enthusiasm by our shooters. If you're ever in our neck of the woods, you're more than welcome on practice night. Last spring, we added the lower bays, tucked in the woods. This year, we added a permanent building and some other permanent props. If you haven't been to our shoots lately, you've been missing a fun shooting experience. We're always adding new props and creating fun-filled scenarios. Our last shoot of the season is set for September 29th. You won't want to miss this one.

We just finished our July 28th match with 68 shooters giving it their best shot. We had 9 shooters clean the match! They were Bartholomew Wright Roe, Wolverine Jack, Cree Vicar Dave, Wall-Man, Dakota Fats, Ruby Red Jo, No Cattle, Deuce Stevens, and Snareman. Great shooting, Pard!

Top Over-All Shooter was Deuce Stevens. Our Top Five Ladies were K.J. Stevens, Katie Callahan, Ruby Red Jo, Laporte Lil, & Tessa Two Gunner. Top Five Gents were Deuce Stevens, Three Gun Cole, Bad River Marty, Dodge City Dick, and Mustache Kid. The weather was great; grub was tasty; and it was just a lot of fun. A big thank you goes to all who contributed to our "Time Is Money" 5-second bonus. These donations totaled \$125 for the Gillary Foundation Charity.

We're all looking forward to Range War, which is fast approaching. It's a fun time with lots of shooting activities, entertainment, shopping and a great banquet. Also, a few of our pards are heading for the Mid-West Regional Shoot, Guns of August, down in Ohio this month. We'll let you know how they do. We sure hope to see you along the shooting trail. Summer is passing quickly so remember.....Live life. Give it your best shot!

Rockford Regulators

As of this writing, we just finished our 'Annual Hawaiian Shoot', It was, as always, a fun time.

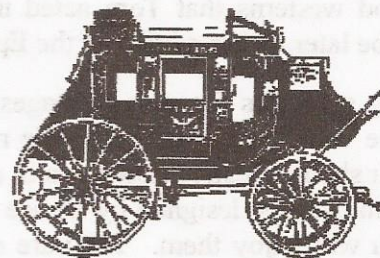

Admittedly, not totally cowboy, but Diewalker did tie in a nice story line with cowboys in the Caribbean. More great Stages by Card Shark Charlie were spiced up with lines from Diewalker.

We had 55 shooters participate in the 'Pirates of the Cowboy-Bean' shoot. The first 5 places were Shoulda Dun Gun, Cayuse Jack, Smooth Sailin', Red Beard Bandit, and Nevada Gambler. If you weren't there you missed a great time. There were a couple grass skirts in evidence, but only on those of the female persuasion.....this time! Lotsa blinding white cowboy legs around! Man, those drumsticks need to see a little light guys! Don't forget this Sunday (August 12th) will be our next 'Bare Bones' shoot. Or as I have recently heard it called...a 'Low Dough' Shoot, as it is only \$10, (No lunch), however, a lot of the pards, amble over to the Crazy Horse Saloon for lunch and refreshments afterwards.

Reminder note; Our September Match date will be moved to Sunday the 9th, due to Range War.

Hope to see you there.

DSC-Rocky River Regulators

Back in June, our Father's Day Match was greeted to a hot dry summer day, as our 57 shooters ran for cover under their gun cart umbrellas between stages. When the smoke cleared and the scores were tallied, the top three shooters were; Dodge City Dick 1st, Faygo Kid 2nd, and R.J. Law 3rd. Of the 57 shooters who competed, nine finished with a clean match. Way to go Cowboy's.

On July 1st, six cowboys enjoyed the best weather of the summer for the first DSC Cowboy Silhouette Match. Lead was flying and targets were falling and by the end of the match everyone had fun. During the match we had two shooters that had clean stages by knocking down all ten targets. After the match we had a long string event to see who could hit the most targets in a row. The longest string that any shooter could muster was two silhouettes, go figure. The results for the day were; Terrebonne Bud with 35 targets down 1st first place, Nine Finger Bob with 28 targets down 2nd place, and Dan Fox with 20 targets down 3rd place. Everyone had a good time and can't wait for the next match. For more information about DSC Cowboy Silhouette Matches, contact Terrebonne Bud at (248-709-5254).

Our July monthly match brought 55 shooters to the town of Rocky River. It was a beautiful day as the posse's made their way through the stages. When it was all said and done the top three shooters were; Faygo Kid 1st, Dodge City Dick 2nd, and Cactus Kay came in 3rd. That month Cactus Kay also shot a clean match along with six other shooters.

Batwing Betty (a.k.a. Renee' Darbyshire) is looking for some help demonstrating Cowboy Action Shooting (CAS) at the Huron Point Gun Club on August 26. A Heritage Day event is being held which is dedicated to children in the out-of-doors to show them a little of everything...archery, rifle, black powder, Cowboy Action, etc. On a bad, rainy day they had 1,500 kids and their families participate and on a good day near 3,000. They

asked Batwing Betty if she would participate and she told them she would as a Wolverine Ranger. This is excellent exposure for CAS and the Wolverine Rangers!

Arrangements have been made to set up one scenario on the rifle range. Depending on how many people would be willing to participate depends on how long we would be there, possibly one shooter every 15 minutes. Someone would need to sit at the table to answer questions and pass out flyers, someone to walk around the grounds in cowboy dress, and some shooters.

If you are interested in volunteering (and getting some free practice just prior to Range War) contact Batwing Betty at 248-879-8345 or renee@darbyshire.net Thanks in advance!

ATTENTION WOLVERINE RANGERS, There is a misprint in the 2007 Wolverine Ranger Wall Calendar and the Wolverine Ranger Shooting Schedule for two of the DSC monthly matches. The correct dates for November and September matches are: **September 23rd and November 11th.** Please be sure to update your Wolverine Ranger Wall Calendar and Wolverine Ranger Shooting Schedule with these important changes. Both the DSC and Wolverine Ranger websites are correct.

News from out at Sucker Creek

Exciting things are happening at Sucker Creek Saddle & Gun Club. We have been busy with improvements to the berms and to the grounds and stages. If you haven't been out to see our Town of Sucker Creek our next shoot on August 11, 2007 would be a good time to come.

Our June Shoot saw 38 shooters complete the 6 stages with scenarios all about the life and times of Teddy Roosevelt. Our top shooters were Bad River Marty, Ethan Callahan & Katie Callahan, talk about a dynasty. A good time was had by all.

Our July Shoot found clouds hanging over our newly dressed berms and the rains came, but didn't dampen the spirits of our shooters as all of our 34 cowboys and cowgirls stayed til the last dog was hung. The old miner on Bay 7 panned for gold rain or shine. Sunshine did show up for the last 2 stages and plenty of "Gold Nuggets" of fun were panned out. Top shooters were Bad River Marty and Katie Callahan but they were being chased real close by Black River Bill and the one to really watch is Duelin' Dylan who had a few misses this time but he is gonna beat dad one of these days real soon.

A great meal was prepared by Spring Valley Cathy & Square Shake Lake and served by the cowgirls of Sucker Creek

We have a couple new members, Mt Forest Ron and Half Step, they took the RO I class taught by Cree Vicar Dave at the July Shoot. Welcome cowboys.

Hope to see you at our next "Shindig" (Shoot) August 11, 2007. No need to bring your pan cause most of our nuggets are bigger than cow paddies. And always shoot straight, shoot fast, shoot safe and have fun doing it.

Johnson Creek Regulators

Well Pard the Johnson Creek Regulators have been very busy so far this season the month of June has been especially busy we participated in the Salem Township Flag Day Parade with our covered wagon everyone really liked our outfits and we made some new friends and our June shoot with Kelly Gotch from Michigan Out of Doors was a big hit. That shoot set an all time turn out of shooters with 89 registered shooters 10 guests and others coming in and out to see what was going on. We sure would like to thank all the Wolverine Rangers that came out to our June shoot to make a very successful day for Johnson Creek and WWCCA cowboy shooters are the best.

Some of the Johnson Creek Regulators are going to Ranger War again this year we can't wait to get started this year Red Ranger Lil and I will have our two grandsons Red River Slim and Madd Dog Kid shooting this will be their first Range War. As of this writing we have three more shoots at WWCCA they are July 28th, Aug. 25th, Sept. 22nd we sure would like to see a great turnout at these shoots like we had in June so come out and join us for some rootin tootin cowboy action fun.

Well pard that's all for now this is the Old Ranger saying;

*Adios and Happy Trails

Dakota Fats received his award at the Membership Shoot / Meeting at DSC on Sunday, July 29. Mule Skinnin' Lady was not present but Dakota Fats was kind enough to see that she received her award.

Be sure to check the Wolverine Rangers website and click on "Clean Match Program" to see the complete details. The July 29 membership shoot kicks off the 2008 Clean Match Program. So get out and get shootin' clean, pard!

Lapeer Wranglers

Lapeer County Sportsmen's Club "Wranglers" Great Lakes Match #10 match was held June 22, 23, & 24, 2007. We had several requests from shooters to have a shoot through on the 22nd for those unable to shoot on either the 23 or 24th for various reasons. Ricochet Bill and I decided as everything was usually set up and ready to go by Friday this would be a good chance to test and tweak all the stages as necessary. So Friday morning arrived and our posse of four (Horsekeeper, Butch Haircut, Ricochet Bill, & Wall-Man) began shooting a little after 10am. Some 3 1/2 to 4 hours later, we finished shooting all ten stages.

We learned a few things from our adventure:

Wolverine Rangers Club News

Don't think you can shoot 10 stages without taking a rest/lunch break and be prepared for repairing any gun malfunction that is fixable out on the course of fire. We learned these things the hard way! Who says you can't teach a bunch of old horses new tricks? There were no pre-registered entries for the Chili Cook-off scheduled for 6pm, so it was cancelled.

Saturday dawned clear and a little hotter than Friday, but still an excellent day for shooting. The first five stages were held in the woods as they were last year. The stages were completed around 2pm leaving enough time for the Side Matches to be easily completed before our cowboy dinner at 6pm.

The Side Match Winners were as follows:

.22 Pistol & Long Range Rifle Lever Action;
Four Finger Carl #60694

Derringer & Pocket Pistol; Rotten Rob

.22 Rifle & Long Range Pistol;
Andy Horshurodinon #20360

Long Range Rifle Big Bore;
Horsekeeper #59867

Long Range Rifle Lever Pistol Caliber;
Steel Dust Jack #64997

Man-On-Man (Kimberly Gillary Foundation Shoot); No Buck Chuck #24540

The money collected from the Man-On-Man Shoot enabled the L.C.S.C. "Wranglers" to donate \$100 to the Foundation.

Saturday night's dinner was a most excellent pork loin and turkey spread with all the trimmings prepared by Ned Colborn, Tammy Pringle, and Randy McClelland. As it was last year, if you left hungry it was your own fault! Seconds and more were in order and the leftovers were used for Sunday's lunch. While dinner was being eaten, the costume contest was held and the winners were:

Best Dressed Town Person Female;
Sinful Cindy

Best Dressed Town Person Male;
Dangerous Dave

Best Dressed Jr. Cowgirl; Bea Sweet
Best Dressed Jr. Cowboy; Coyote Kyle
Best Dressed Cowgirl; Cheyenne Lady #75428
Best Dressed Cowboy; Dakota Doc #9695

Sunday, June 24, dawned as a repeat of Saturday. The final five stages were shot and totals tabulated by my computer (after a lockup scare) with the following results:

Overall Match Winner; Shoulda Dun Gun #59889
49er Match Winner; Hole N Hat #40936
Traditional Match Winner; Clay Creek #65874
Gunfighter Match Winner; Andy Horshurodinon #20360
Woman's Match Winner; Cactus Kay #15157
Senior Match Winner; Dakota Doc #9695
B-Western Match Winner; No Buck Chuck #24540
Duelist Match Winner; Beerbelly Willie #45138
Modern Match Winner; Dangerous Dave (Lapeer's own Dave Irwin)
Black Powder Match Winner; Bowlegged Pete #40204 (Lapeer's own Gary MacArthur)
Classic Cowboy Match Winner; Horsekeeper #59867 (Lapeer's own Charlie "Doc" Becker) Jr. Match Winner; Coyote Kyle

Special thanks should be give to the people who helped the "Wranglers" make this event a success: "jacks-of-all-trades."

Folks, we don't know what we would have done without your help!

Also, a special thanks to our banner program sponsors:

A.P. GOODRICH

Sunday, July 22 dawned bright and sunny for the first ever Cowboy Single Shot Rifle Short Range State Championship. Cowpokes from all over made the journey to the beautiful Detroit Sports Congress; 200 yard covered range to find out who would claim the honors of being the top 3 Cowboy Short Range Riflemen in the State.

First though, I must offer an explanation of "Short Range" to set things straight. Historically in America shooting at 200 yards and under was classified as short range. Firing at targets from 300 to 600 yards was mid-range and anything over 700 yards was considered Long Range. I suppose we'll just carry on the tradition and call 200 yards what it is ... short range.

The first stage of the match called for the pards to fire 15 shots in 20 minutes from the prone position using cross sticks or other front rests. They really had a chance to zero in their rifles from this position because it is the steadiest position to shoot from. After they posted their targets for the next stage, the cowpokes got to fire 15 shots from the sitting position using cross sticks just like the Buffalo Hunters did. This position is not as steady as the prone position so it took a steady hand and lots of concentration to keep their groups from opening up. The last and hardest part of the match was firing from the standing or offhand position. This was what really separated the men from the boys! It was really fun listening to comments like "I was as steady as a rock but that dang target was moving all over the place!"

After the last stage was over and the Hi-walls, Rolling blocks and Sharps rifles were cleaned and put away, the cowpokes got to relax and swap stories while the targets were scored and the results posted. The highest scorer in the prone stage was shot by Moe Gunns, High score in the sitting stage was fired by Moe Gunns again, and top score in the difficult offhand stage was made by Cold Coffee Jack. The third place aggregate award went to

the Scholfield Ranger who fired a 318-1X. Second place agg. Was won by Moe Gunns who posted a 333-2X and the 2007 Cowboy Single Shot Rifle Short Range State Champion was Terrebonne Bud who won with a very respectable Agg. Score of 342-1X. Congratulations on your fine shooting and many thanks to all of you for attending!

All of you Cowboy Single Shot Shooters are invited up to Ithaca, MI. on Sat. Aug. 11 to shoot Silhouette with us. We shoot chickens offhand at 200 meters, the 300M pigs, 385M turkeys and 500M rams are all shot from sitting or prone x-sticks. All of the Cowboys shoot in their own class and get separate awards. Don't feel intimidated because of the distances we shoot, the size of the silhouettes or not having any sight settings. We will have you happily blazing away in no time flat! There will also be an offhand center fire lever gun silhouette match that will start immediately after the single shot award ceremony. Distances will be 40-60-75 and 100 yards at reduced size steel critters.

The first ever Cowboy Silhouette State Championship will be held on Sept. 29-30 at A.P. Goodrich. Saturday mornings silhouette event will be for .22 cal. Lever guns and the afternoon match will be for pistol caliber lever guns.

These lever gun events always appeal to those cowpokes who really enjoy shooting offhand with a rifle. Sunday's match will be devoted to the big cowboy single shot rifles. This event will appeal to riflemen who want to put their rifles and themselves to the ultimate test of marksmanship. July Shoot Swells; But Not From Heat!

Covered wagons, and horseless carriages came from Flint, Kalamazoo and points north to make the July 21 CAS Shoot held in Scottville and the Mason County Fin and Feather Club the largest shoot hosted by the Mason County Marshals. We heard lots of favorable comments on the new range and the adjacent pistol range gave participants the chance to move down range as well as side to side. It was truly a Cowboy ACTION Shoot.

Twenty eight shooters shot their way through the mine shaft, past the corral, down to the livery, downtown to the mercantile, and down range past the hay bales with shotgun blasting as they went. The scenarios were challenging without being difficult, and the targets were up close, big, and easy to miss. The battles for placement were fast, furious, and friendly, and not until the final results were tallied did the contestants know the outcome. The top six shooters shot in six different categories. Deuce Stevens the match winner; Traditional, Lightning Wayne; Senior, Cayuse Jack; Gunfighter, Lucky Lennie; Senior Duelist, Cactus Kay; Ladies Senior, and Riverview Rattler; 49er. Other category winners were: Deuces Uncle Johnny; Elder Statesmen, Onyx; Duelist, Hondo Dan; Frontier Cartridge Gunfighter, Desert Snake Jake; Buckaroo, Greenriver; Frontier Cartridge Duelist, Dakota Fats; B-Western, Ledge Lady; Ladies 49er, Miss Elaineous.

Many thanks to all who attended, familiar faces and new alike, We appreciate the comments and encouragement. Our shoots could not be successful without you. Hope to see you all and more at future shoots. Thanks again.

The next shoot will be held on Saturday, August 18th. Registration begins at 8:30, shooters meeting at 9:30, with guns to blaze right after the meeting.

West Walker Sportsmen Club West Walker Rangers

Well the 2007 Michigan Black Powder shootout is history. We had a total of 57 shooters filling the air with smoke. That's an increase of 20 shooters over last year. From the comments to me personally and those on the wire, it's safe to say, the match was a success.

The over all top shooter, shooting Blackpowder was Doc Roy L Pain. (He beat all them other two handed big name shooters.)

We also had (4) Buckaroo's shooting, two of them up and coming Black Powder shooters. Lil Fire and Desert Snake Jake. The other two are up and coming smokeless shooters, Left Eye Leroy and Coyote Kyle, all four did a great job of shooting.

The scores are posted on the WR web page, if you haven't seen them, take a peek. Saturday evening we had a barbecue chicken dinner, great fellowship and everyone present received at least one door prize.

At the conclusion of the match on Sunday and after the awards were presented, a drawing was held for the main prizes. Two hats from Mike's Custom Hatters went to Cripple Creek Kid and J R Hammer. Randy Atcher of Indiana won the Possum Trot weekend. A paid registration to Range War was won and turned back in so we auctioned it off. The winner was Lucky Lennie. A Black Powder Pocket Pistol was given away and another auctioned off. Proceeds from the auctions went to the Gillary Foundation as did some profit from the match.

Just another plug for Mike's Custom Hatters, he is coming to Range War, please stop by and say thanks for his support and for crying out load, buy a hat. I am looking forward to next years match. Preparations are already under way.

Unfortunately because the range at West Walker has become unsuitable for Cowboy Acton Shoot-

ing the match will be held elsewhere in 2008. Once the details are worked out you will be advised.

Again, thanks for the support and hope to see some new Black Powder shooters next year.
